Preliminary Amendment and Response Accompanying the Present Request for Continuing Examination(RCE) Filed Herewith

Dear Sir:

In response to the Final Office Action mailed September 26, 2007 and in conjunction with the RCE filed herewith, Applicants respectfully request reconsideration of the above referenced patent application. Please consider the following remarks and amendments for allowance of the above-identified patent application.

Examiner Interview Summary

A telephonic interview was conducted on December 3, 2007 between the Examiner, Christopher Biagini, and the Applicants' representative, John P. Wagner Jr. (# 35,398).

Features common to independent Claims 1 and 9 of the present application were discussed. The current Final Rejection mailed September 26, 2007 was discussed. The Mogul patent (U.S. Patent No. 6,234,761) was discussed in relation to features of independent Claims 1 and 9. Examiner Biagini suggested possible amendments for consideration. The Applicants are in agreement with the possible Claim amendments suggested by Examiner Biagini.
